About Barloworld

Barloworld is a leading industrial processing, distribution, and fleet management company operating in South Africa and globally. With a strong presence in equipment, automotive, logistics, and supply chain solutions, Barloworld is committed to innovation, operational excellence, and skills development.

[the_ad id="191"]

As part of its talent development strategy, Barloworld offers an Internship Program designed to equip young professionals with hands-on experience, mentorship, and exposure to the corporate world.

Program Overview

The **Barloworld Internship Program** is structured to provide practical work experience in various business and technical fields. The program is ideal for graduates seeking career opportunities in:

- Engineering (Mechanical, Electrical, Industrial)
- Supply Chain & Logistics
- Information Technology (IT) & Data Analytics
- Finance & Accounting
- Human Resources (HR)
- Marketing & Communications
- Sales & Business Development
- Legal & Compliance

Interns will work alongside experienced professionals and gain valuable industry insights while contributing to real projects that drive business growth.

Key Responsibilities

Intern responsibilities vary depending on the assigned department but may include:

- Assisting with departmental projects and daily operations.
- Conducting research, data analysis, and reporting to support business decisions.
- Supporting process improvement initiatives.
- Learning about industry regulations, policies, and best practices.
- Collaborating with teams to solve business challenges.
- Attending training, workshops, and networking events.
- Completing assessments and evaluations as part of the internship program.

Who Should Apply?

This internship program is ideal for:

- Final-year students or recent graduates in relevant fields.
- Individuals with a passion for innovation, problem-solving, and business growth.
- Candidates with strong analytical, communication, and teamwork skills.
- Those eager to gain corporate experience in a dynamic environment.

Minimum Requirements

- South African citizenship or legal authorization to work in South Africa.
- A completed or nearly completed degree/diploma in a relevant field.
- Strong academic performance and a willingness to learn.
- Excellent communication and problem-solving skills.
- Computer literacy (Microsoft Office, industry-related software).

Benefits of the Internship

- Hands-on experience in a leading global company.
- Mentorship and guidance from industry professionals.
- Exposure to real-world business and technical challenges.
- Career development and potential employment opportunities.
- Monthly stipend for the internship duration.

How to Apply?

Interested candidates should submit the following:

[the_ad id="206"]

- Updated CV
- Cover letter outlining their motivation for applying
- Certified copies of academic records and qualifications
- A copy of their ID

Applications can be submitted via the Barloworld Careers Portal on the official Barloworld website.
