Description

e

ABSA is one of Africa's leading financial institutions, offering innovative banking, investment, risk, technology, and leadership opportunities across the continent. The ABSA Graduate Programme 2027 is a 10-month leadership development programme designed to equip graduates with critical business, digital, analytical, and leadership skills while providing exposure to real business challenges and African regional operations.

Available Graduate Programmes

- Absa Risk Graduate Programme
- Absa Technology Graduate Accelerator Programme
- GenA Investment Banking Graduate Programme
- GenA Global Markets Graduate Programme
- GenA Actuarial Analyst Graduate Programme
- Industrial & Organisational Psychology Internship

Key Responsibilities

- Participate in leadership and professional development training.
- Work on real business projects and problem-solving initiatives.
- Collaborate with mentors, coaches, and graduate cohorts.
- Contribute to innovation, digital transformation, and strategic projects.
- Support business units in risk, technology, investment banking, global markets, actuarial analysis, or psychology functions.

Requirements

- South African graduates with strong academic performance.
- Honours, postgraduate, or equivalent qualifications in relevant fields.
- Fields include Finance, Economics, Mathematics, Statistics, Data Science, Computer Science, Engineering, Actuarial Science, Information Technology, Law, and related disciplines.
- Industrial Psychology applicants must have completed an Honours degree and M1 coursework by December 2026.

Benefits

- 10-month structured graduate development journey.
- Leadership and personal branding training.
- Exposure to Absa's African regional offices.
- Business and behavioural coaching.
- Mentorship from industry leaders and alumni.
- Participation in CSI and "Force for Good" initiatives.
- Hands-on experience with real business challenges.
