AdaptIT Graduate Internship Programme 2026 – Midrand, South Africa

Description

Are you a recent graduate looking to kickstart your career in the tech industry? Adapt IT's Graduate Internship Programme 2026 offers a unique opportunity to gain hands-on experience across multiple departments, work on real projects from day one, and receive mentorship from experienced industry professionals. This programme is designed to develop your skills, expand your professional network, and give you a solid foundation for a successful career in technology and business.

Responsibilities

As a Graduate Intern at Adapt IT, you will:

- Support ongoing projects within your assigned department.
- Conduct research and data analysis to assist in business decision-making.
- Collaborate with cross-functional teams to develop innovative solutions.
- Participate in professional development workshops and training sessions.

Requirements

To qualify for this internship, you must have:

- A Bachelor's Degree or Diploma in a relevant field.
- Strong analytical and problem-solving skills.
- Excellent communication and teamwork abilities.
- Eagerness to learn, take initiative, and contribute meaningfully to projects.

How to Apply

Interested candidates can **apply online** for the AdaptIT Graduate Internship Programme 2026 through the official portal:
