About the Internship

Amazon Web Services (AWS) is inviting ambitious graduates to apply for the AWS Commercial Sales Internship 2026 in Cape Town, South Africa. This paid internship is designed for individuals who are passionate about cloud technology, sales, and innovation. Participants will gain practical experience in AWS cloud services, commercial sales, and AI-first solutions while working on meaningful business projects that create real impact.The internship offers structured learning, hands-on training, mentoring, and rotational exposure across various AWS service areas, helping interns build the skills required for a successful career in cloud technology and commercial sales.

Key Responsibilities

- Participate in structured training on AWS services and cloud computing concepts.
- Learn and apply AI-first methodologies in commercial sales environments.
- Work on a business project that delivers measurable impact.
- Gain practical experience across different AWS business functions through rotational assignments.
- Collaborate with cross-functional teams and stakeholders.
- Develop strategic thinking, stakeholder management, and communication skills.
- Utilize digital tools and innovative approaches to solve business challenges.
- Participate in mentoring, shadowing, and learning opportunities within the AWS EMEA internship community.
- Support customer-focused initiatives and contribute to business growth.

Minimum Requirements

Applicants must:

- Be unemployed before joining the internship programme.
- Be under 35 years of age at the time of application.
- Have graduated with a Bachelor’s degree or higher within the last five years.
- Hold a qualification from an accredited higher education institution.
- Have completed a related higher education qualification (minimum NQF Level 4–6).
- Be fluent in spoken and written English.
- Be available to work 40 hours per week, with overtime when required.
- Possess basic computer skills, including Microsoft Office applications such as Excel and Word.

Preferred Qualifications

Preference may be given to candidates with:

- BCom, Marketing, or Information Technology qualification.
- Up to two years of sales experience.
- Previous academic, student organization, or professional sales-related experience.
- Strong interest in pursuing a career in cloud sales.
- Passion for learning AWS cloud technologies and technical concepts.
- Excellent written and verbal communication skills.

Desired Skills and Competencies

Successful candidates should demonstrate:

- Strong critical thinking and problem-solving abilities.
- Analytical and data-driven decision-making skills.
- Curiosity about artificial intelligence and emerging cloud technologies.
- Digital innovation mindset.
- Adaptability and resilience in fast-paced environments.
- Customer-focused approach with excellent stakeholder management.
- Strong teamwork and cross-functional collaboration skills.
- Learning agility and willingness to embrace new technologies.
- Strategic thinking and the ability to drive customer success through AWS solutions.

What Amazon Offers

- Paid internship opportunity.
- Comprehensive AWS technical and commercial sales training.
- Hands-on experience with cloud computing and AI-first technologies.
- Rotational learning across AWS business units.
- Mentorship and coaching from experienced AWS professionals.
- Exposure to the AWS EMEA internship community.
- Practical business project experience with real-world impact.
- Professional development and career-building opportunities within one of the world's leading cloud technology companies.
