## Amazon Internship Programme 2025-2026 | Jobs in South Africa

### About the Internship

Amazon is offering an exciting opportunity for highly motivated and qualified graduates to join its 2025 Product Manager Internship Program in Cape Town, South Africa. This full-time, 6-month internship is designed to give graduates hands-on experience within one of the world's leading tech and retail companies.

If you're passionate about innovation, data, digital products, and driving business performance — this is your chance to work at the cutting edge of e-commerce.

### What You'll Do (Key Responsibilities):

As a Product Manager Intern at Amazon, you will:

- Collaborate closely with a Vendor Manager to deliver services that boost vendor business performance and increase sales.
- Assist in designing, launching, and scaling strategic programs focused on digitizing procurement processes.
- Analyze large data sets to discover trends, customer behaviors, and actionable business insights.
- Translate insights into product and business improvement strategies.
- Work onsite daily, full-time (40 hours/week), Monday through Friday.

### Who Should Apply? (Requirements):

To be eligible, applicants must:

- Hold a Bachelor's degree or equivalent qualification.
- Be available to start the internship in September 2025.
- Be able to commit to a 6-month full-time (40h/week) internship in Cape Town.
- Have graduated recently or completed studies within the last 12 months.
- Demonstrate strong communication skills (English level C1 or higher – both written and verbal).
- Be proactive, analytical, and excited to work in a fast-paced, tech-driven environment.

### Why Join Amazon?

Amazon is a place where builders and innovators thrive. As an intern, you will:

- Gain real-world experience from global industry leaders.
- Build professional skills in data analysis, vendor management, and digital product development.
- Be considered for future employment based on performance and business need.
