About the Programme

The Barclays Off-Cycle Internship Programme 2025 is an exciting opportunity for penultimate or final-year students to gain hands-on experience in the world of Investment Banking, Markets, Corporate Banking, or Quantitative Analytics.

[the_ad id="191"]

This 3-6 month internship allows you to work on real projects, collaborate with top professionals, and gain deeper insights into life as a Full-time Analyst. Unlike summer internships, this extended programme provides longer exposure to the business, helping you build a strong foundation for your future career.

What You'll Work On

During your time at Barclays, you'll engage in various challenging and rewarding tasks, including:

- Financial analysis and modeling
- Valuation and industry research
- Client due diligence
- Developing written materials (e.g., offering memoranda, new business presentations)
- Working on live deals and client pitches
- Supporting cross-functional teams on business initiatives
- Developing financial models and investment strategies

Who We're Looking For

To be eligible, you must:

- Be in your penultimate or final year of study (any discipline)
- Be passionate about finance, banking, and investment strategies
- Have strong analytical and problem-solving skills
- Be eager to learn, collaborate, and grow in a high-performance environment

Why Join Barclays?

- Gain real-world experience in a leading global financial institution
- Work alongside industry experts and expand your professional network
- Access training, mentoring, and career development opportunities
- Improve your financial acumen and develop key investment banking skills
