[the_ad id="191"]

Cartrack is offering an exciting Learnership Program at our Rosebank, South Africa office. This program is designed for young, ambitious individuals looking to gain valuable work experience and develop essential skills in the automotive and telematics industry.

Key Responsibilities

- Participate in structured learning sessions and on-the-job training.
- Assist various departments with daily operations and administrative tasks.
- Gain practical experience in fleet management, customer service, and sales support.
- Develop skills in data analysis, problem-solving, and technical support.
- Work closely with mentors and team members to enhance knowledge and career growth.

Requirements

- South African citizen aged 18–35 years.
- Minimum qualification: Matric (Grade 12).
- No prior work experience required.
- Strong communication and problem-solving skills.
- Eager to learn and passionate about technology and innovation.
- Ability to work in a fast-paced environment.
