Job Description

The Construction Industry Development Board (CIDB) is offering a 24-month internship programme for unemployed graduates and individuals seeking practical work experience in their field of study. This programme is designed to provide hands-on industry exposure, allowing interns to apply theoretical knowledge and enhance their employability in the labour market.

[the_ad id="191"]

Successful candidates will work under experienced professionals, gaining valuable workplace skills and industry knowledge across various departments within CIDB.

Eligibility Criteria

To qualify for this internship, applicants must:

- Be a South African Citizen or Permanent Resident with a valid SA Identity Document.
- Hold a relevant qualification in one of the specified fields below.
- Be available for a 24-month full-time internship.
