Description

Citi South Africa invites suitably qualified graduates to apply for the Graduate Internship Programme 2026, a one-year learnership within the Treasury & Trade Solutions (TTS) department. This structured programme is designed to provide newly qualified university graduates with hands-on experience, professional development, and exposure to Citi's global banking environment.Throughout the programme, graduates will gain practical work experience while being trained and mentored by industry professionals. Participants may apply for permanent roles during the programme and will also be sponsored to complete a postgraduate qualification relevant to their area of work.Citi is committed to developing future leaders who can thrive in a rapidly changing economic environment and contribute meaningfully to both the African and global economy.

What You Can Expect

- Comprehensive training and on-the-job learning
- Exposure to Treasury & Trade Solutions operations
- Professional mentorship and career development support
- Opportunity to apply for permanent roles within Citi
- Sponsorship of a relevant postgraduate qualification

Minimum Requirements

We would like to hear from you if you meet the following criteria:

- Completed an undergraduate degree (minimum GPA of 65% or above) or a master's degree in any discipline
- Maximum of 1 year of work experience (work experience is advantageous but not required)
- Strong leadership, teamwork, and communication skills

Skills and Competencies

- Strong dedication to learning and passion for the financial services industry
- Commitment to personal growth and career development
- Ability to work effectively in team-based environments
- Interest in the global and domestic business landscape, particularly financial regulations and compliance (preferred but not required)
- Excellent communication, planning, and organizational skills
- Strong analytical and quantitative abilities
- Desire to develop a deep understanding of the financial industry and regulatory frameworks
- High level of integrity and ethical decision-making

How to Apply

Interested candidates should apply online and attach the following documents:

- Updated CV
- Cover letter
- Full academic transcripts
- Certified copy of ID
