Daimler Truck South Africa YES Internship Programme 2026 – Apply Now

Description

Are you an unemployed young South African looking for a genuine opportunity to gain 12 months of workplace experience with a world-class automotive company? Daimler Truck South Africa has partnered with the South African Government on the Youth Employment Services (YES) Programme 2026 — and applications are now open for motivated youth in Pretoria and surrounding areas.

This is your chance to build a solid professional foundation, develop industry-relevant skills, and take the first step in your career journey — no prior work experience required.

Daimler Truck Southern Africa Ltd is one of the most recognised names in the commercial vehicle industry on the African continent. As part of its commitment to social impact, the company has partnered with the South African Government on the YES (Youth Employment Services) programme — a flagship initiative designed to reduce youth unemployment by connecting young people with meaningful 12-month workplace experiences.

The YES Programme is a business-led, government-supported initiative that creates real work opportunities for South African youth. By joining Daimler Truck through this programme, you will gain hands-on experience in a professional, world-class environment — a powerful addition to any CV.
