Department of Transport Internships Programme | 2025-2026

Job Description

The Department of Transport Internship Program is designed for recent graduates seeking professional experience in the transport sector. This structured program provides practical workplace exposure, allowing interns to contribute to national transport projects and policies.

[the_ad id="191"]

Interns will work alongside experienced professionals in different divisions, gaining valuable skills and insights into transport management, safety regulations, and government operations.

Key Responsibilities

- Assist in research, policy development, and project management within the transport sector.
- Support administrative tasks and report preparation for departmental initiatives.
- Work with engineers, planners, and analysts on transportation projects.
- Engage with stakeholders, including government agencies and the public.
- Participate in workshops, training sessions, and transport awareness campaigns.
- Contribute to road safety, public transport, and infrastructure development programs.
- Gain hands-on experience in transport regulation, logistics, and planning.
