Harmony Gold Mining Internships Opportunity in South Africa | Latest Hirings

Job Description

The Harmony Gold Mining Internship Program is aimed at young graduates looking to gain practical experience in the mining industry. The program provides hands-on training in various mining-related disciplines, allowing interns to develop technical skills, industry knowledge, and professional competencies.

(adsbygoogle = window.adsbygoogle || []).push({});

Interns will work closely with experienced professionals, participate in projects, and gain exposure to different mining operations and safety procedures.

Key Responsibilities

- Assist in various mining operations and technical projects.
- Work alongside engineers, geologists, and mining professionals.
- Conduct research, data collection, and reporting on mining activities.
- Participate in workplace safety programs and compliance training.
- Support environmental and sustainability initiatives within the company.
- Gain practical experience in underground and surface mining activities.
- Perform administrative and operational support tasks as required.

Requirements

- Must be a South African citizen.
- Age: Between 18 and 35 years old.
- Must have a National Diploma or Bachelor's Degree in one of the following fields:
 - Mining Engineering
 - Geology
 - Metallurgy
 - Mechanical Engineering
 - Electrical Engineering
 - Environmental Science
 - Safety Management
 - Finance or Human Resources (for business-related internships)
- Strong problem-solving and analytical skills.
- Good communication and teamwork abilities.
- Willingness to work in a mining environment, including underground operations.
- No prior formal work experience is required (entry-level internship).
