Responsibilities

- Assist in investigations and research related to priority crimes.
- Support administrative and operational tasks within various departments.
- Compile reports, case files, and relevant documentation.
- Participate in fieldwork and intelligence-gathering activities under supervision.
- Attend training sessions and workshops to enhance law enforcement knowledge.
- Work collaboratively with experienced professionals to understand legal and procedural aspects of criminal investigations.

Requirements

- Must be a South African citizen.
- A diploma or degree in Criminology, Law, Forensic Science, Public Administration, or a related field (or currently studying).
- Strong analytical and problem-solving skills.
- Good communication and interpersonal abilities.
- High level of integrity and ability to handle sensitive information.
- Proficiency in Microsoft Office (Word, Excel, PowerPoint).
- Ability to work both independently and in a team environment.
