Description

The Kia South Africa YES Internship Programme 2026 is a powerful opportunity for unemployed South African youth to gain real workplace experience in one of the world's leading automotive brands. This initiative forms part of the Youth Employment Service (YES) programme, designed to reduce youth unemployment by providing structured, skills-based training in real working environments.

This internship is ideal for young individuals who are passionate about the automotive industry and want to build a long-term career in sales, administration, finance, human resources, or technical workshop environments.

The Kia South Africa YES Programme is a 12-month structured internship designed to provide unemployed youth with practical exposure in a professional automotive environment. It focuses on developing job-ready skills, improving workplace readiness, and enhancing employability for future career growth.

Through this programme, participants will not only gain experience but also develop confidence, professionalism, and industry-specific knowledge required in today's competitive job market.

Why Join Kia South Africa YES Programme?

Joining this internship gives you access to one of the most reputable automotive brands in the country. Kia South Africa is committed to empowering young people by offering meaningful career-building opportunities.

Key Benefits:

- 12 months structured workplace experience
- Monthly stipend (as per YES programme guidelines)
- Mentorship from experienced professionals
- Industry exposure in automotive operations
- CV enhancement with real corporate experience
- Career development and workplace readiness training

What You Will Gain from the Programme

Selected candidates will receive hands-on training and professional exposure across different departments. The programme is designed to build both technical and soft skills.

Participants will gain:

- Mentorship and guided development from industry experts
- Real-time workplace experience in a corporate environment
- Exposure to automotive business operations
- Practical training to improve employability
- Professional skills for long-term career success

Placement Areas / Departments

Successful applicants may be placed in the following departments:

- Sales Department
- Workshop & Parts Department
- Administration Department
- Finance Department
- Human Resources Department

Each department provides unique exposure, helping interns understand different aspects of the automotive business.

Requirements for Kia YES Internship 2026

To qualify for the Kia South Africa YES Programme, applicants must meet the following criteria:

- Aged between 18 and 29 years
- Currently unemployed
- South African citizen with a valid ID
- Minimum qualification: Grade 12 / Matric
- Additional qualifications will be an advantage
- Clean criminal record
- Must not have previously participated in a YES programme

Skills and Competencies Needed

Candidates should demonstrate personal qualities that align with a professional working environment.

Required skills include:

- Good communication and interpersonal skills
- Basic computer literacy (depending on role)
- Strong work ethic and positive attitude
- Willingness to learn and adapt
- Ability to work in a team environment
- Discipline in meeting deadlines and instructions
- Integrity and professionalism
