Lenmed South Africa Internship Initiative 2025-2026 | Latest Jobs

About Lenmed

Lenmed is a leading private healthcare group in South Africa, committed to providing exceptional patient care, innovative medical services, and professional healthcare training. With a network of hospitals across South Africa and neighboring countries, Lenmed focuses on delivering world-class healthcare while nurturing the next generation of medical professionals.

(adsbygoogle = window.adsbygoogle || []).push({});

As part of its dedication to developing skilled healthcare workers, Lenmed offers an Internship Program designed to provide students and recent graduates with hands-on experience in various medical and administrative fields.

Program Overview

The Lenmed Internship Program provides valuable exposure to the healthcare industry, allowing interns to gain practical skills, mentorship, and industry knowledge. The program is ideal for students and graduates interested in:

- Nursing
- Pharmacy
- Medical Technology
- Radiography
- Physiotherapy & Rehabilitation
- Hospital Administration & Healthcare Management
- Human Resources & Finance
- IT & Healthcare Data Analytics

Interns will work under the guidance of experienced professionals and receive training in hospital operations, patient care, and healthcare administration.
