Microsoft is Hiring Interns: Admin, Business, IT & Engineering Fields 2025-26

Description

Are you a recent graduate passionate about technology, innovation, and business strategy? Microsoft South Africa is offering internship opportunities in Administration, Business, IT, and System Engineering fields. This is your chance to gain real-world experience and grow your career with one of the world's leading tech companies.

At Microsoft, interns work on real-world projects in collaboration with teams across the globe. You'll be empowered to build community, explore your passions, and drive impactful solutions. More than just an internship, this is a gateway to personal growth, professional development, and experiencing Microsoft's inclusive, diverse culture.

What You'll Do

As an **Account Management Intern**, you will support the execution of account plans for multiple clients and contribute to Microsoft's mission of digital transformation across industries.

Key Responsibilities:

- Collaborate with internal and external stakeholders to create strategic account plans.
- Help drive high-volume sales and customer success by aligning solutions, budgets, and forecasts.
- Work with virtual teams and partners to track goals and update account strategies.
- Gain a deep understanding of client industries, challenges, and transformation drivers.
- Coordinate with internal experts to identify opportunities and mitigate competitive risks.
- Cultivate strong client relationships using Microsoft's sales methodologies.
- Document account plans and ensure alignment with long-term customer goals.

Requirements

To qualify for this exciting internship opportunity, you must meet the following criteria:

- Currently pursuing or recently completed a Bachelor's or Master's degree in one of the following fields:
 - Administration
 - Business
 - Information Technology
 - System Engineering
