PRASA Internships 2026 for South African Graduates

Hiring organization
PRASA

Employment Type
Intern

Duration of employment
12-months

Industry
Truck Transportation

Job Location
South Africa, South Africa

Working Hours
09

Date posted
June 16, 2026

Valid through
17.06.2029

Description

Are you a recent graduate looking for internship opportunities in South Africa? PRASA is inviting unemployed graduates to apply for its Graduate In Training Programme 2026, designed to provide structured workplace learning and practical industry experience. This graduate internship programme helps bridge the gap between academic studies and professional employment, improving workplace readiness and career development.

Successful candidates will gain hands-on exposure by assisting with daily operations, conducting research, supporting projects, using industry-related systems, and learning professional workplace practices. Interns will also develop valuable technical and administrative skills while working alongside experienced professionals.

Available Internship Fields

PRASA is recruiting graduates in various disciplines, including:

- Industrial Engineering
- Environmental Engineering
- Electrical Engineering
- Electronics Engineering
- Mechanical Engineering
- Civil Engineering
- Mechatronics Engineering
- Safety Management
- Risk Management
- Occupational Health and Safety (OHS)
- Property Management and Real Estate
- Property Development Studies
- Financial Accounting
- Auditing
- Cost and Management Accounting
- Energy Management
- Signalling Electronics
- Computer Systems Engineering
- Infrastructure Maintenance
- Rolling Stock Engineering

Internship Locations

Opportunities are available in:

- Braamfontein (Head Office)
- Gauteng
- KwaZulu-Natal
- Eastern Cape

- Western Cape
- PRASA Group Capital

Why Apply?

The PRASA Graduate In Training Programme offers graduates the opportunity to gain practical work experience, build industry knowledge, enhance employability, and develop professional skills within one of South Africa's leading public transport organisations.

Minimum Requirements

Applicants must possess a relevant Degree, National Diploma, BSc qualification, or Trade Certificate in the specified field of study. Candidates should demonstrate professionalism, willingness to learn, strong communication skills, and the ability to work effectively within a team environment.
