## Publicis Groupe Africa Internship Programme 2026

### Description

The Publicis Groupe Africa Internship Programme is the organisation's flagship youth development initiative, launched in 2021 to create opportunities for young South Africans interested in advertising, creativity, data, and technology. The 2026 Internship Programme is designed as a launchpad for graduates and final-year students who are eager to gain real-world agency experience. Interns will collaborate on meaningful projects, work alongside industry-leading professionals, and gain exposure to a data-driven, creatively-led, and fully integrated communications environment. This programme offers a unique opportunity to develop practical skills, build a professional portfolio, and kick-start a career within one of the world's largest and most influential agency networks.
