RTMC South Africa Internship Programme 2025 | Latest Opportunity

About RTMC

The Road Traffic Management Corporation (RTMC) is a government entity responsible for road safety, traffic law enforcement, and transport management in South Africa. RTMC is dedicated to improving road safety through innovation, education, and efficient traffic management.

(adsbygoogle = window.adsbygoogle || []).push({});

As part of its skills development initiative, RTMC offers a structured Internship Program to help young professionals gain valuable experience and training in various fields related to traffic management, law enforcement, administration, and technology.

Program Overview

The RTMC Internship Program is designed to provide practical work experience, mentorship, and career development for graduates. Interns will gain exposure to real-world operations within the transport and road safety sector while working alongside experienced professionals.

Internships are available in the following fields:

- Road Safety & Traffic Management
- Law Enforcement & Compliance
- Transport Planning & Logistics
- Information Technology (IT) & Data Analytics
- Human Resources (HR) & Administration
- Finance & Accounting
- Legal & Compliance
- Marketing & Communications
- Supply Chain & Procurement

Interns will participate in hands-on training, industry-related projects, and capacity-building programs that align with RTMC's mission to enhance road safety and traffic management.

- Supporting administrative and financial operations within RTMC.
- Assisting IT teams with system support, cybersecurity, and digital transformation projects.
- Engaging in community outreach and education programs on road safety.
- Providing support in HR, legal, procurement, and corporate governance functions.
- Attending training sessions, workshops, and networking events.

Who Should Apply?

This internship program is ideal for:

- Recent graduates with degrees/diplomas in transport management, law enforcement, IT, business administration, finance, or related fields.
- South African youth eager to gain workplace experience in the public sector.
- Individuals passionate about road safety, traffic management, and government services.
- Candidates with strong analytical, communication, and teamwork skills.

Minimum Requirements

- South African citizenship.
- A completed degree/diploma in a relevant field.
- Strong academic record and interest in road traffic management.
- Good communication and problem-solving abilities.
- Ability to work in a fast-paced and regulated environment.

Benefits of the Internship

- Hands-on experience in a government agency focused on road safety.
- Mentorship and career development opportunities.
- Exposure to critical areas of transport law, enforcement, and management.
- Monthly stipend for the duration of the internship.
- Potential for future employment within RTMC or the public sector.

How To Apply?

Interested candidates should submit:

- Updated CV
- Cover letter outlining their motivation for applying
- Certified copies of academic records and qualifications
- Copy of South African ID

Applications can be submitted via the RTMC Careers Portal on the official website or sent to the HR department.
