SABC Internships Programme 2025 | New Jobs

Job Description

As an SABC Intern, you will work closely with industry professionals to develop practical skills in your chosen field. The program provides structured on-the-job training, mentorship, and skills development to help interns gain industry experience and improve their employability.

(adsbygoogle = window.adsbygoogle || []).push({});

Key Responsibilities

- Assist in the production of television and radio content, including scripting, filming, editing, and broadcasting.
- Support newsrooms, current affairs teams, and digital media units in content research and creation.
- Engage in journalistic writing, news reporting, and content curation.
- Assist with social media management and digital marketing strategies.
- Work closely with media professionals on video production, graphic design, and sound engineering.
- Gain hands-on experience in broadcast technology, camera operations, and post-production editing.
- Participate in research and development for content innovation and audience engagement strategies.
- Learn about corporate functions, such as human resources, finance, legal, and administration in a media environment.

Fields of Study & Opportunities

SABC offers learnerships and internships in various fields, including but not limited to:

(adsbygoogle = window.adsbygoogle || []).push({});
