SANRAL Internship Programme 2026

Description

The SANRAL Internship Programme 2026 aims to equip young graduates with essential workplace experience and professional development opportunities by placing successful candidates within relevant SANRAL divisions, where they will gain practical exposure and hands-on learning aligned with their academic qualifications. The programme provides a strong foundation for launching a successful career in the public sector and related industries. Interns will receive a 12-month fixed-term contract, a monthly stipend, and access to mentorship, training, and real-world project involvement.
