Syngenta Group: Graduate Internship Opportunities 2026

Description

Syngenta Group invites suitably qualified and motivated graduates to apply for the Internship Programme 2026. This programme is designed to provide hands-on, practical work experience while exposing interns to real business challenges within one of the world's leading agricultural companies. The internship programme aims to develop future talent by offering meaningful learning opportunities across multiple business functions, enabling interns to apply their academic knowledge, build professional skills, and gain insight into the agricultural industry.

Programme Objective

The Syngenta Group Internship Programme 2026 seeks to:

- Gain practical, hands-on experience by contributing to real business projects aligned with Syngenta's operations and strategic objectives.
- Develop professional competencies by working alongside experienced professionals across diverse functions and teams.
- Build a strong understanding of Syngenta's business, products, and the broader agricultural sector.
- Apply academic learning to solve real-world business challenges and support departmental goals.
- Demonstrate initiative, adaptability, and a commitment to continuous learning throughout the internship.
- Prepare for future career opportunities within Syngenta by building a solid professional foundation and showcasing potential.
