The Building Company Internship Initiative 2025 | New Hirings

About The Building Company Learnership

The Building Company, a leading supplier of building materials and hardware in South Africa, offers learnership programs aimed at developing young individuals by providing practical experience and theoretical knowledge in the retail and construction supply industry. This learnership is an excellent opportunity for candidates looking to gain skills, workplace exposure, and formal certification.

(adsbygoogle = window.adsbygoogle || []).push({});

Fields of Learnership

The learnership program is structured to provide hands-on experience in various fields, including:

- Retail & Sales Operations (customer service, merchandising, stock control)
- Warehouse & Logistics (inventory management, supply chain operations)
- Finance & Administration (cashiering, bookkeeping, office support)
- Construction & Building Materials Handling
- Health & Safety Compliance

Key Responsibilities

- Participate in on-the-job training and mentorship programs.
- Assist in daily operations in the assigned department.
- Learn and apply sales, customer service, and operational skills.
- Maintain and organize stock and product displays.
- Support cash handling, invoicing, and general administrative tasks.
- Follow company policies, health & safety standards, and work regulations.

Eligibility Requirements

To qualify for The Building Company learnership, candidates must:

(adsbygoogle = window.adsbygoogle || []).push({});
